

Greetings! I am the new chairperson of Arkansas Nurses Political Action Committee (ANPAC). I am honored to serve.

This is an election year, and I know you have seen the large list of Arkansans who have declared their candidacy for state and local offices. The ARNA Health Policy Committee believes this will be a very difficult year for health care and we must, as professional nurses, make our voices heard. A key role of ANPAC is to raise funds to support candidates for state and local office who have demonstrated their beliefs in the health policy position and goals of the Arkansas Nurses Association (ARNA). Money talks and we must raise sufficient funds to play a major role, not only in the campaign process, but in the health policy arena in 2011. We need your help to be serious contenders in the upcoming battles.

The committee has set an immediate goal to raise \$10,000 by asking selected nurse leaders to donate \$100.00 each. We recognize your nursing leadership role in Arkansas and the contributions you have made to advance the profession. We now ask that you be among the first to donate \$100, or more if you can, to help us raise sufficient funds and make a real difference in the election process and in the healthcare arena. Please make your check payable to ANPAC. Of course, any amount will be accepted. Because of the increased political demands, we need your donation as soon as possible. Financial contributions are the only source of ANPAC revenue.

Thank you for giving serious consideration to our request. If you need additional information, please do not hesitate to contact me at 501-244-2363 or 501-529-3730. My e-mail address is sjbrown0409@sbcglobal.net.

Thanks again, we need you!!

Sincerely,

Sandra J. Brown, MSN, MPH, RN
