

Thank you for your willingness to participate in the continuing education of Arkansas' nursing workforce. We cannot adequately express our appreciation for your time and expertise.

In order to provide contact hours for attendees, we are required to document your learning plan. Will you kindly do the following for us?

1. Complete the table inserted below.
2. Answer the associated questions.
3. Provide your references.
4. Provide at least 2 multiple-choice questions relevant to your content for the post-test learners will complete at the end of the conference. Please ensure these questions have one correct answer stated in a positive voice.

Thank you again!

1. Planning Table:

Content (Provide an outline of content)	Time Frame (Live)	Presenter/Author	Learner Engagement Strategies

Learner engagement strategies include but are not limited to integrating opportunities for dialogue or question/answer; including time for self-check or reflection; analyzing case studies; and/or providing opportunities for problem-based learning

2. Content for this educational activity was chosen from:

Information available from the following organization/web site (organization/web site must use current available evidence within past 5 - 7 years as resource for readers; may be published or unpublished content; examples – Agency for Healthcare Research and Quality, Centers for Disease Control, National Institutes of Health):

Information available through peer-reviewed journal/resource (reference should be within past 5 – 7 years):

Clinical guidelines (example - www.guidelines.gov):

Expert resource (individual, organization, educational institution) (book, article, web site):

Textbook reference:

Other:

Please list the supporting, evidence-based references or resources used for developing this educational activity:
