

ANPAC

Arkansas Nurses' Political Action Committee

Annual Report, October 2016

Sandra J. Brown, MSN, MPH, RN

ANPAC's purpose is to raise funds to contribute to the support of candidates for state and local office, who have demonstrated their beliefs in the health policy position and goals of the Arkansas Nurses Association (ARNA).

Since the last convention (Oct. 2015), we have received \$770.00 in donations from ARNA members and /or supporters. The bank balance is \$4617.43. A \$500.00 contribution was made to Rep. Kim Hammer. The committee also recognized Rep. Hammer and Rep. Fred Love for their support to ARNA at the ANPAC Luncheon. ANPAC will provide financial support for the 2017 nurses' day at the State Capitol.

As the 2016 election campaign heats up, we will be called on to support candidates. To actively participate in the political process, ANPAC must make financial contributions to candidates.

We need your financial support!

The committee needs new members. If you are interested in serving, please complete the "consent to serve form" in the conference packet.

For the ones, who have made contributions to ANPAC, the committee extends a warm thank you. In the conference packet, you will find an ANPAC pledge form. **ANPAC and ARNA Needs Your Support!!**
